# Welcome from chairs

## WELCOME FROM CHAIRS

DEAR COLLEAGUES, FRIENDS AND PATIENTS,

**We are thrilled to announce that the next Euromit 2026 meeting will be held in the beautiful city of Angers, France. From Saturday, May 30<sup>th</sup> to Thursday, June 4<sup>th</sup>, 2026.**

Euromit 2026 promises to be an exceptional gathering, uniting physicians, scientists, patients and their families from across the globe who are passionate about advancing mitochondrial medicine. Our carefully designed program will feature the latest breakthroughs in basic science, preclinical and clinical research, ensuring that all attendees, including patients and advocacy groups, gain valuable insights into cutting-edge developments in mitochondrial physiology, pathophysiology and the progress of clinical trials and innovative therapies.

A key focus of Euromit 2026 will be fostering the next generation of researchers. We are excited to host a dedicated **“Young Mito Scientists Day”** on Saturday, May 30<sup>th</sup>, followed by opportunities for young investigators to present their work at the poster sessions and as short talks during the seven scientific sessions held from May 31<sup>st</sup> to June 4<sup>th</sup>.

Additionally, Euromit 2026 will emphasize collaboration and dialogue among scientists, medical professionals, patients and associations. A special 8<sup>th</sup> session on Thursday, June 4<sup>th</sup>, will highlight the latest advancements in biology and therapeutics for mitochondrial diseases, offering a platform for shared learning and progress.

We are equally delighted to welcome you to **Angers**, one of France’s greenest cities, renowned for its exceptional quality of life, and tremendous historical heritage in proximity of the castles of the Loire Valley and vineyards. In line with our commitment to sustainability, the conference will prioritize eco-friendly practices, including locally sourced food and beverages, ensuring a peaceful and enjoyable experience for all attendees.

We cannot wait to welcome you to Euromit 2026 in Angers, where science, collaboration and sustainability will come together in a truly inspiring setting.

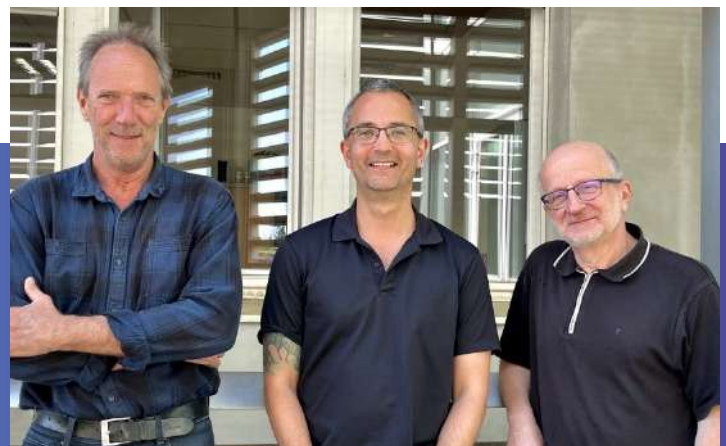

**Warm regards.**

### WHY BECOME A SPONSOR OR PARTNER ?

Euromit is the largest international conference on mitochondrial diseases in Europe, bringing together more than 850 leading experts, researchers and physicians and also patients' associations. This premier scientific event is a rare and prestigious opportunity occurring only every 3 years in a European country.

By sponsoring Euromit 2026, you contribute to advancing knowledge in this crucial medical field while associating your brand with European scientific excellence. Do not miss this unique opportunity to showcase your organization, services, or technologies at the congress exhibition area or during one of the 8 industry-sponsored symposia (limited offer).

### SPONSORSHIP OBJECTIVES

**Raise awareness  
of your company's  
contributions to  
mitochondrial  
medicine.**

**Showcase your  
innovations in  
diagnostics,  
therapeutics, and  
research tools.**

**Build relationships  
with, clinicians,  
researchers and  
patients advocates.**

### TARGET AUDIENCE

Clinical geneticists

Paediatric and adult neurologists

Metabolic and neurosensorial  
disorders specialists

Mitochondrial diseases young and  
senior researchers

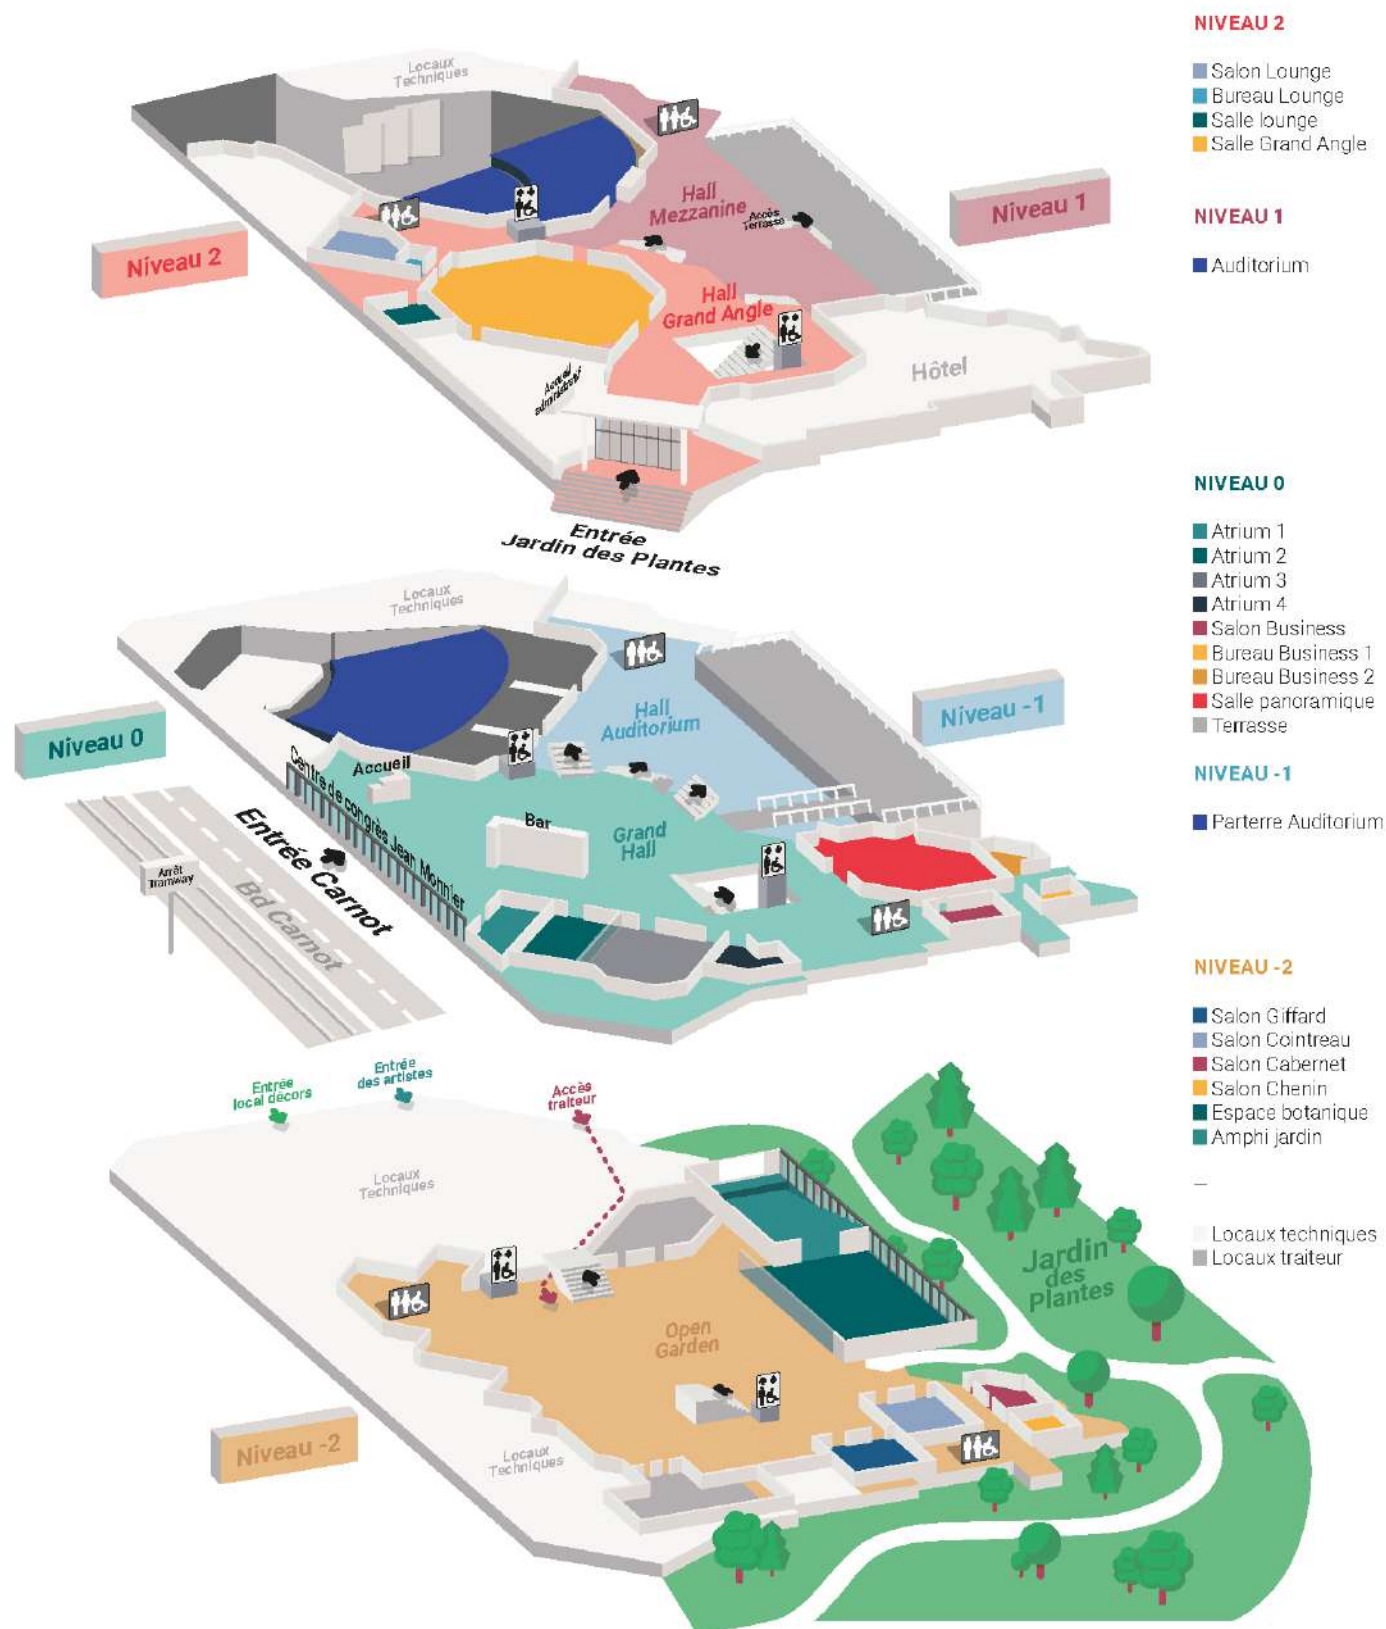

Representatives from rare diseases  
patient advocacy groups
